A MESSAGE FROM OUR PRESIDENT & CEO, JEANNIE MONTANO AND THE CHAIR OF THE BOARD, KEVIN CLEARY

Dear Friends,

As the fiscal year 2021 began it seemed like the worst of the Pandemic was passing but the long-term affects were only beginning to be experienced. The stress on the education system for both teachers and students was acute and there was a rise in many students experiencing signs of anxiety disorders and academic challenges. United Way of the Dutchess-Orange Region hosted a virtual Community Conversation to begin addressing some of these issues.

Your support enabled the programs and services provided by United Way of the Dutchess-Orange Region to help 131,991 individuals this year. From the School Supply Drive to the four other Days of Sharing, days set aside for the distribution of essential items. We distributed to 200 Partner Organizations overall, which in turn met the needs of 21,347 individuals, who received a total of \$403,411 worth of essential items: clothing and other necessities. These items were generously donated by local department stores; Walmart, Bed Bath & Beyond and Harmon Beauty Supply, to name a few.

Although the Community Breakfast was a virtual event in September, it was well attended and we were thrilled to honor our 2021 Community Champions, Sally Cross, President of the Community Foundation of the Hudson Valley and Elizabeth Rowley, President of the Community Foundation of Orange & Sullivan. The Kindness Champion campaign was wonderfully supported, with 21 individuals recognized for sharing kindness in their community. In addition, thanks to donations from their friends, funds were raised to support United Way's work in our community.

As we looked to the events of 2022 we began to plan for an in-person Celebration of Service Dinner in May and to bring back an event that we had in 2019, Pull the Plane. Both events were great successes. The Celebration of Service Dinner honored a beloved local family-owned business, Adams Fairacre Farms, as the Distinguished Leadership Award recipient. Adams has been one of our Annual Sponsors for many years and also run an outstanding workplace campaign. The Talent United contest continues to be an inspiration to local performers. Ten gifted singers and two amazing dance groups shared their talents while their friends and the community voted for their favorite. The winner, 16-year-old, Sophia O'Brien performed at the end of the evening which prompted an exhilarating standing ovation!

The Pull the Plane event finished up our fiscal year with 14 teams and 148 individuals participating as they raised funds for United Way and competed to pull a UPS Airbus A-300 plane 50 feet in the shortest time. It was a fun day out on the tarmac of New York Stewart International Airport and we are grateful for all those who participated.

Both the Juneteenth Racial Equity Challenge and the Martin Luther King Equity Challenge averaged 300 people reading, listening and watching resources considering how we can, as a community, solve some of the profound disparities that plague our neighbors on a daily basis.

Thank you for your support of United Way of the Dutchess-Orange Region. United together we will fight for the health, education and financial stability of every person in our community.

**We are helping people like Mary Lou everyday...
thanks to YOU!**

Meet Mary Lou

We received a call from Mary Lou, the mother of 3-year-old Emma and 5-year-old Dustin. Mary Lou called desperate for help to purchase clothes and hygiene items for her kids. She had been very sick with COVID. She was hospitalized for over a month. Due to her illness, Mary Lou lost her job and without income the family was having trouble making ends meet. And Emma and Dustin were growing quickly! United Way was able to provide diapers, wipes, sneakers, clothing, other hygiene items and toys for the children.

Mary Lou is now feeling 90% better and is back to work. She said the essential items we provided helped them “get through their roughest days - we are so grateful to United Way.”

By the end of the program, Joshua had written his own part, memorized his lines and acted in a video production. He did not stutter at all during his performance and gained a tremendous amount of confidence through this process.

VOLUNTEERING IMPACT

VOLUNTEER: Every hour, every minute you give helps someone in need. Through our online volunteer portal, United Way of the Dutchess-Orange Region makes it easy for individuals and companies to ensure everyone finds their perfect volunteer "match."

Why Volunteer?

Not only is it a great way to give back, but a new study shows that volunteering provides important health benefits. Volunteering may "provide a sense of purpose ... while helping maintain social networks that are critical as people-age," according to a new study noted in Time Magazine's article, "Why Volunteering is Good for Your Mental Health." In addition, volunteering is "an effective way to cultivate critical business and leadership skills, such as project management, communication, goal-setting and evaluation," according to a Deloitte survey of Fortune 500 HR Managers.

Volunteering Impact in the Community

Last year, we touched the lives of more than 131,991 individuals. Volunteers helped make that difference with 4,933 individuals contributing their time and talent. To continue to support our Dutchess and Orange communities, we are counting on you. Studies show that volunteer hours, valued at \$28.06 per hour for each volunteer, add up and save donor dollars allowing more money to go to much needed services in our community. Last year volunteers contributed almost 30,000 hours with a total economic impact in our community of \$536,000.

Want to Volunteer?

Visit our volunteer portal at uwdor.org/Volunteer/VolHome.jsp to find the perfect match for you or contact our Community Impact team (ci-inbox@uwdor.org) for special opportunities and our Days of Caring! To help out year-round, email Rebecca Lull (rlull@uwdor.org) for our essential needs program.
